Older brothers and sisters are also welcome!!

What is

It is not easy to gather parenting information when you are struggling with child-rearing. We feel the same way as a mother, so we gathered information on parenting support organizations and companies in this area for you. We want families trying very hard on parenting to take a look at our event to connect with others and help you enjoy daily parenting life. We hope this event will be the start of your new connection with friends and the area's support.

Lots of useful information on parenting in Shinagawa area.

Connect with people within the area, and information will make your parenting much more fun !!

Waiting for you !!

Any concerns ?

We have diaper-changing tables

And nursing room for your baby's milk time!

It will be crowded in the building. Please use baby stroller parking.

No parking space for cars. Please use public transportations.

You can bring foods and drinks from outside. Some food exhibit has baby foods, too! (The numbers of items are limited.)

Usage of baby carriers is recommended!

If you are in troubles, "dakko volunteers" will support you !!  
 Feel free to talk to any staff.  
 Twins, triplets, quadruplets... we can arrange a support staff for you !!
